Utah Museum of Fine Arts Docents

No. 3

September, 1980

## FALL SCHEDULE

Welcome back to the Utah Museum of Fine Arts! We hope you have enjoyed a pleasant summer, and are eager to meet with your friends in the Museum again.

This fall we welcome a large group of new docents-in-training. The classes begin Thursday, October 2, from 1-3 p.m., and we invite any active docent to participate in these classes. A schedule of class topics will be available September 11, and you may choose which classes you wish to attend, or attend all of them. We will be discussing art history, the Museum's collections, communication skills, grade level approaches and tour techniques. The class will continue for two quarters. A new docent sourcebook will be created as part of this class, and the materials will be available to all active docents, too.

\*\*\*\*\*

## MUSEUM IN THE CLASSROOM

Ann Stewart, Susan Fleming, Sherrill Sandberg, Trish Clay, Kathy Packard, Nona Miller and Peggy Nelson continued to meet during the summer to discuss the NEW classroom presentations they wish to offer this year! All these presentations are documented with slides and notes, so that we can "double up" and share presentations. The Museum is indeed grateful to these dedicated docents for they worked in both the galleries and in public school classrooms weekly last spring. The Museum in the Classroom service is very popular because the docents offer such excellence in the classroom.

## EDUCATION DEPARTMENT INTERN

Katie Hill has joined the Education Department as an intern from the Arts Administration program at the University of Utah. She will be learning the ropes with the rest of us for one year. Katie earned some credit hours last Winter Quarter working with Sue, and we are delighted to have her quick mind and enthusiasm to brighten up our days.

\*\*\*\*\*

## MUSEUM MONTH

Governor Matheson will declare September as Museum Month. The Utah Museum Association will be meeting in Salt Lake City September 11 and 12; as well as the seven member National Museum Accreditation Commission. Museum awareness should be high during September, so be sure to share your own enthusiasm for UMFA with your friends, and invite their participation.

\*\*\*\*\*

## DOCENT TOURS

We are pleased to share with you the statistics of tours taken from February 1, 1980 to July 1, 1980. Docents conducted 121 tours to 5,624 people.

53 Adult Tours

68 Tours to children 16 and under

Our teams worked extremely well! As the numbers indicate, the Docents gave tours ranging from 8 to 170. This fall we will continue the team method.

## COOLEST PLACE IN TOWN

The Museum is the coolest, most serene spot in town. As word gets out, more and more people will be visiting our collections and we would be pleased to have you welcoming them at the Docent desk. This is not a requirement but an invitation for a calm, learning time away from the rigors of summer. If interested, call Marilyn.

\*\*\*\*\*

## DOCENT COURSE

Fall quarter we will begin another Docent qualification course. Our list of women showing interest in registering is growing but we still have room for your friend. We will be pleased if you have anyone interested in becoming a docent to find a place for her.

\*\*\*\*\*

## FALL QUARTER INTERIOR DESIGN CLASS

Marilyn is teaching an Interior Design class Fall quarter through DCE. As a member of ASID, this course will include guest lecturer, field trips, and historic furnishing utilizing the resources in the Museum.

### GRADUATION LUNCHEON

Our graduation luncheon was a tremendous success thanks to Susan Christensen's hospitality in her lovely home. The food was great, too, because you all prepared such good salads. Here are three excellent salad recipes.

#### Pear & Avocado Salad Mold

1 can (29 ounces) pear halves  
1 pkg. (3 ounces) lime flavored gelatin  
1 cup boiling water  
1 Tbl. lime juice  
1 avocado  
 $\frac{1}{2}$  cup heavy cream, whipped  
thin slices of limes

Drain pears. Reserve  $\frac{3}{4}$  C. pear syrup. Set aside 2 pear halves for garnish. Dice remainder and drain again.

Dissolve gelatin in boiling water. Add reserve pear syrup and lime juice. Peel and pit avocado and puree in blender or mash with fork.

Add to gelatin mixture. Chill until partially set.

Fold in whipped cream and diced pears. Pour into 4 C. mold and chill.

Unmold. Garnish with pear wedges and lime slices.
